

Maintenance Technician

About the Company:

For 75 years, Leech Industries, located in beautiful Meadville, Pennsylvania, has grown to be an industry leading manufacturer producing the very best in precision components. Our diverse capabilities provide our customers with a partner that can provide high quality tool and die services, precision machining, stamping, zinc casting, plastic injection molding, laser welding and assembly for demanding industries such as the Medical and Aerospace markets.

To succeed in tomorrow's manufacturing industry – with its demands to serve customers in a truly global environment- we depend on three vital resources: the newest manufacturing technologies, excellent quality systems, and most importantly highly skilled people.

Job Key Activities and Performance Indicators:

- The responsibilities of this position will include:
- Perform basic maintenance on all equipment and facilities.
- Perform basic and major repairs on plastics, Die cast presses and stamping machines.
- Maintain and PM the floor scrubbers and all equipment.
- Help other senior maintenance team members in their duties.
- Support the development of preventative maintenance schedules.
- This job will require the employee to be able to lift 50 lbs.
- Maintain attention to detail in all aspects of the job.
- Maintain a safe and clean environment.
